Do You Have Vintage Military Photos to Share?

We are interested in receiving photos from Coast Guard veterans, taken during your time in the service, that we can share with our members via our website, newsletters, Facebook, Twitter, etc.

If you are willing to share your old photos with other members of the credit union, please email them to us at marketing@seawest.coop or bring them by one of our branches and we'll be happy to scan them — returning your original photos to you.

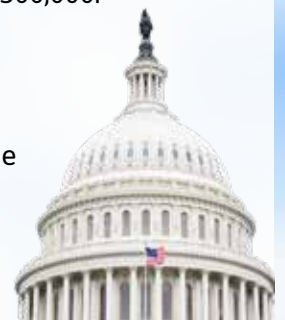

Sea West Support During the Shutdown

Sea West was pleased to provide support to our military members, non-members and spouses' clubs during the government shutdown.

During the shutdown Sea West:

- Made 0% loans to more than 200 Coast Guard personnel, totaling nearly \$500,000.
- Provided galley lunches to approximately 400 Coast Guard personnel.
- Provided lunch/dinner to the Coast Guard spouses who worked so hard in building the food banks.

Watch for our New Look!

Over the coming months we will be releasing an updated brand identity, which includes a new logo. You'll see the new look anywhere we're out in public, like our website, Facebook, and Twitter. Very soon you'll see it in all of our products, as well.

We believe the new look better matches what we've become and where we are heading.

We hope you'll love the new look and would like to hear from you with your feedback at marketing@seawest.coop.
